

2,284,000

The map displays the municipal boundaries of Tlaquepaque, which includes the city of Guadalajara. Key features include the Río Lerma, the Autopista del Sol (Mexico 15), and various neighborhoods like Rincón de Guadalajara, Indio Vista, Los Miserables, and Parques de la Quebrada Residencial. The map also shows the location of the Tlaquepaque Artisan Center (Centro de Artesanías) and the Tlaquepaque Cultural Center (Centro Cultural Tlaquepaque). The text "MUNICIPIO DE TLAQUEPAQUE" is prominently displayed at the bottom left.

The map illustrates the urban layout of Guadalajara, Mexico. A specific area labeled "LOMAS DE LA VICTORIA" is highlighted in red. Other nearby developments shown in red include "JARDINES DEL ALAMO", "PRADOS TAQUERÁGUE FRACC.", "CAMCHINES SALBORDA FRACC.", and "CAMCHINES RESIDENCIAL FRACC.". The map also features a grid of streets and several green spaces or parks. A vertical legend on the right side, titled "SÍMBOLOGÍA:", defines the color coding used for the developments.

MUNICIPIO DE GUADALAJARA

SÍMBOLOGÍA:

The map illustrates the proposed infrastructure for the new stadium. A red line indicates the 'VIALIDAD REGIONAL' (Regional Road), which follows the northern edge of the stadium's footprint. A blue line indicates the 'VIALIDAD LOCAL' (Local Road) that will serve the stadium. A purple line shows the 'PROYECCION FRACC.' (Fractional Projection), which includes the 'ILLAS LOS CANTOS FRACC.' and 'ESTADIO NACIONAL'. The map also shows the 'FERRER DEL ARQUES ONFRACC.' and 'RUTA ALTO DE LOS BOSQUES' (Highway). The 'ESTADIO NACIONAL' is shown as a large grey polygon. The 'VIALIDAD LOCAL' is highlighted in pink.

VIALIDAD PRINCIPAL

VIALIDAD COLECTORA

A vertical map of a city area, likely a satellite or topographic map. It features a dense grid of streets and buildings. A major red line, representing a bus route, runs vertically through the center of the map. Other colored lines (purple, blue) likely represent different bus routes or paths. Several neighborhoods are labeled in red text: 'ARR. SICOFRACC.' (top), 'EL REFRIGERADOR', 'LA BURAZNERA', 'SOLIDARIDAD', 'EST. TEMPICUE', 'EMILIANO ZAPATA' (bottom), and 'ESTACION DE TREN LIGERO' (bottom right). There are also labels for 'ESTACION DE AUTOBUSES PÚBLICO' and 'EL REFUGIO'. Topographic contour lines are present in the lower half of the map, indicating elevation changes.

A detailed map of a city area, likely a satellite or digital map. It shows a grid of streets and several larger roads. A thick red line traces a path through the area, starting from the bottom right and moving upwards and to the left. Other colored lines, including purple and blue, delineate specific zones or boundaries. Shaded areas represent parks or other green spaces. Several labels are present: 'GR. VILLAS DEL REALEJO' at the top right, 'EL CARRERON' and 'PRISUR P.' on the right side, 'ISLA DE LA BARRERA' on the left, and 'LA ARTESANA' at the bottom right. The map also includes numerous small black crosses (+) scattered across the grid, likely indicating survey points or specific addresses.

An aerial map of a residential area in Bogotá, Colombia. The map shows a grid of streets and buildings. A prominent purple line highlights a specific path or boundary. Other colored lines, including blue and red, also mark certain features. Labels on the map include "PARQUES SANTA CRUZ DEL VALLE" and "CALE P.I.". The map includes a north arrow and various symbols indicating different types of terrain or infrastructure.

The figure consists of three vertically stacked maps of the municipality of Tlajomulco de Zúñiga. The top map shows the entire municipality with a blue shaded area representing the study area (SLT). The middle map is a detailed view of the SLT, with five sampling sites labeled TLQ 1 through TLQ 5, each marked with a red cross. The bottom map is another detailed view of the SLT, with the same five sampling sites labeled TLQ 1 through TLQ 5.
